American Fyre Designs™

Outdoor Products Collection

Homeowners all over the country have come to realize the allure of fire in their backyards. Fire brings warmth, glow and serenity, encouraging us to relax and unwind. An American Fyre Designs™ exterior fire feature will anchor your outdoor living space and turn your patio into an outdoor sanctuary inviting conversation that flows well into the night – even when there is chill in the air.

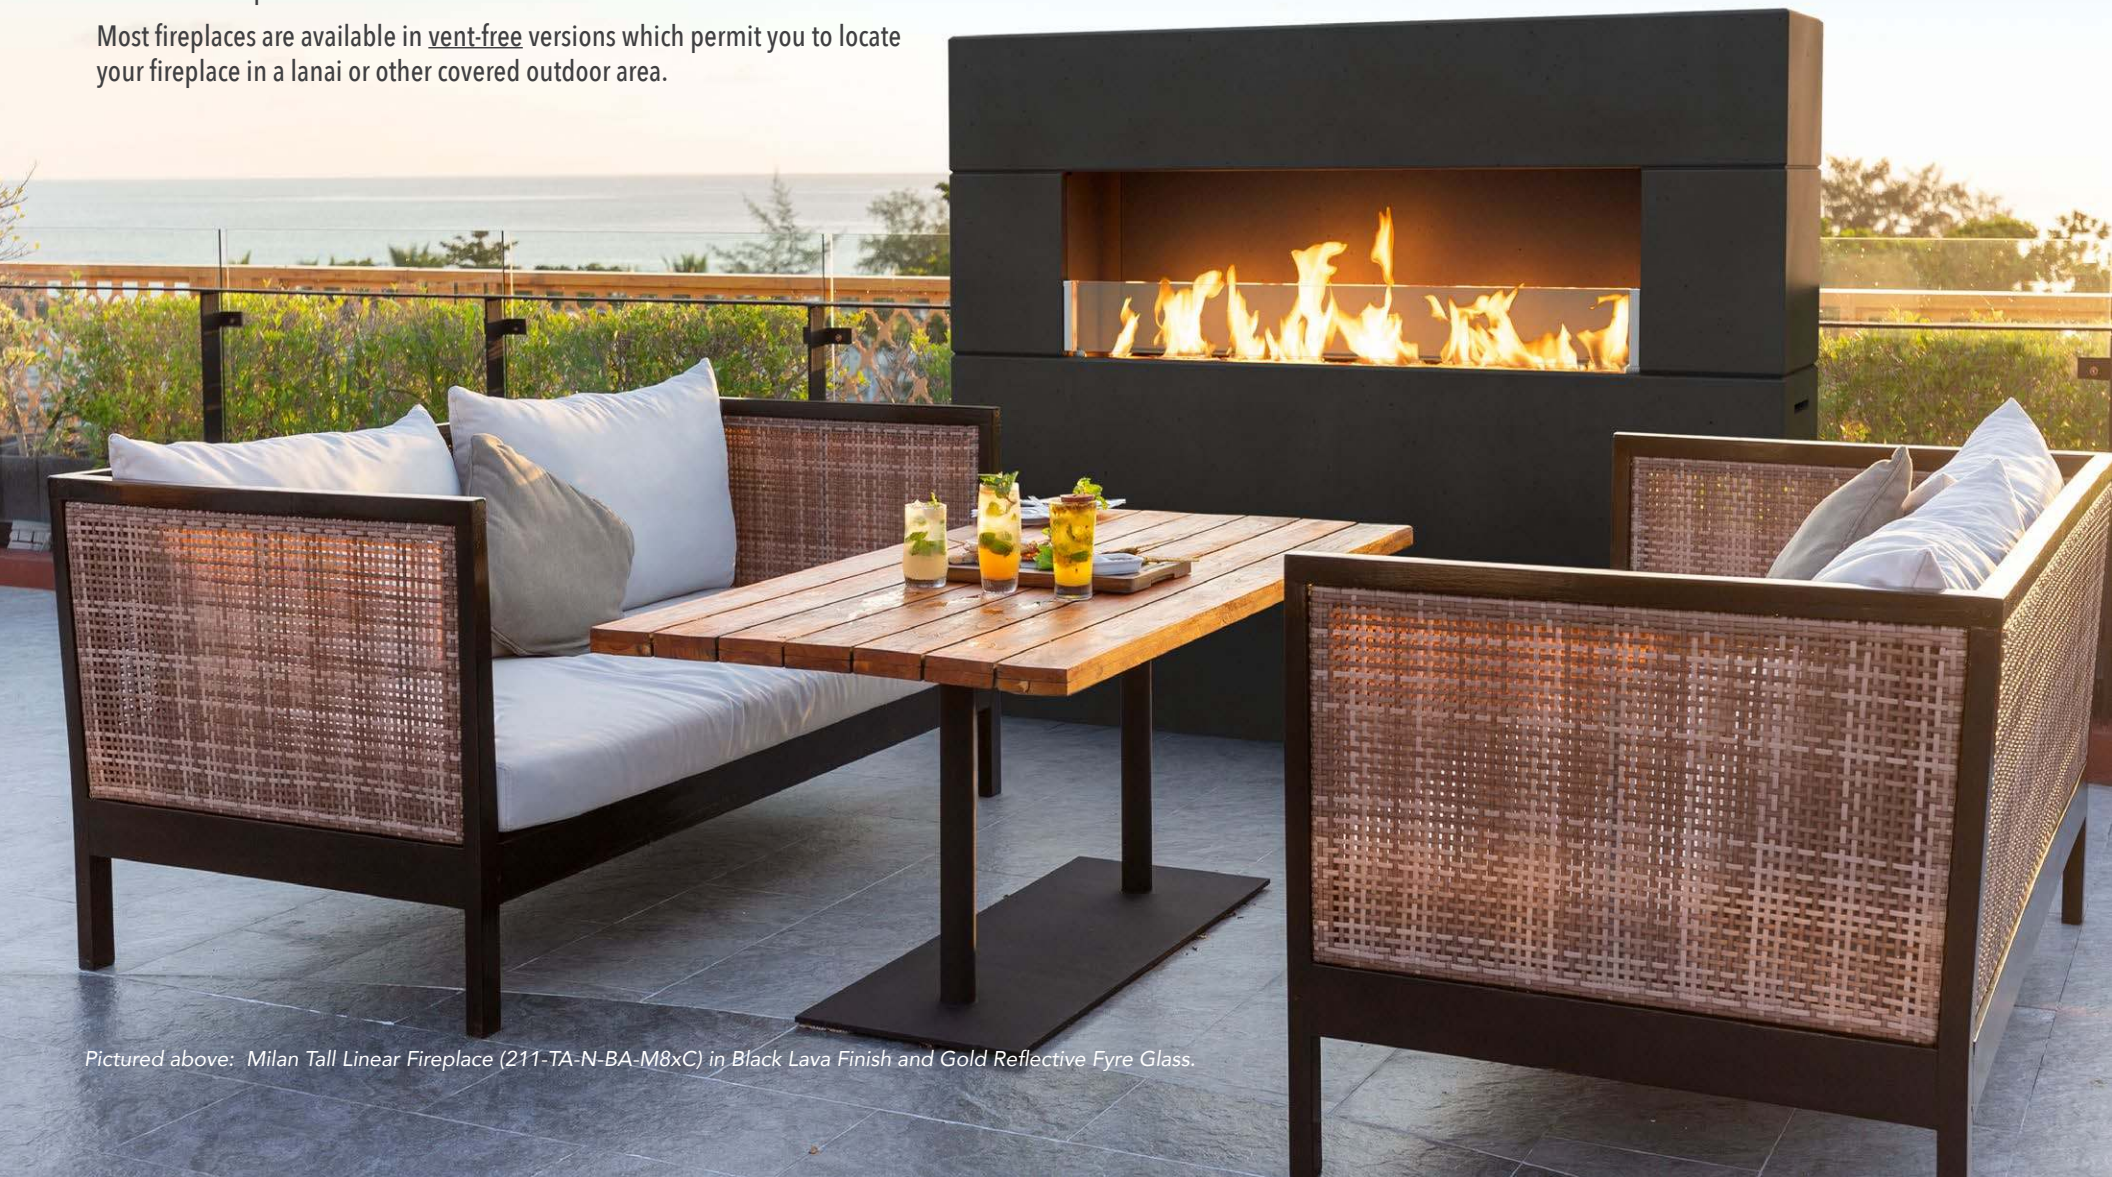

From Fireplaces perfect for cuddling up under the stars, to Firetables ideal for entertaining, each product is expertly crafted from innovative glass fiber reinforced concrete (GFRC). GFRC derives its strength from portions of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements. Modularly constructed for easy assembly, American Fyre Designs™ products are an elegant addition to any outdoor area.

American Fyre Designs™ products are available in a variety of styles, colors and textures to complement any décor. Warm your outdoor living area with American Fyre Designs™.

Create enticing outdoor ambiance with an American Fyre Designs™ Outdoor Fireplace. Expertly handcrafted from innovative glass fiber reinforced concrete (GFRC), a variety of styles, finishes, and options are available to select the right fireplace for you.

The Grand Series Fireplaces incorporate wall extension panels to create a more impressive design while keeping the same style and look of the fireplace. Wall extension panels expand upon the body of the Fireplace to create many new decorating opportunities while also providing a beautiful separation to the world behind the fireplace.

Most fireplaces are available in vent-free versions which permit you to locate your fireplace in a lanai or other covered outdoor area.

Pictured above: Milan Tall Linear Fireplace (211-TA-N-BA-M8xC) in Black Lava Finish and Gold Reflective Fyre Glass.

Feature Highlights

- Modularly constructed as easy-to-assemble components
- Exterior may be recessed to accommodate field cladding in tile, stone, or other veneer
- Most fireplaces available as Vented or Vent-Free
- All Vent-Free fireplaces are blocked at the top and throat of the firebox
- Most Fireplaces include herringbone firebox liners (excluding Brooklyn, Manhattan and Milan models)

Recessed Option

Fireplaces may be ordered with recessed hearth and/or body to accommodate field cladding in tile, stone, or other veneer. These recessed vertical surfaces are unfinished.

Our Firetables create the perfect ambiance for enjoying an outdoor meal or cocktail while also keeping you warm from the evening chill.

Fuel options include Natural Gas or self-contained Propane tank (most include a removable door to house a 5 gallon Propane tank inside).

Feature Highlights

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC)
- Stainless steel burners
- Optional 110V FyreStarter Bluetooth Control (Available on Contempo, Iron Saddle, Legend, Versailles, Cosmopolitan, Calais Oval, & Milan firetables only)
- Manual Flame Sensing Control Valve
- Access door with Tank Retention Frame to accommodate a 5 gal. LP tank inside the unit (Excluding Contempo, Iron Saddle, Legend, Versailles, Calais, Lotus, & Milan Firetables)
- Adjustable flame height for comfortable dining
- Available for Natural Gas or Propane (Propane only on Contempo LP Select)

Glass Wind Guards

Available for most Firetables (see pg. 34)

Pictured above: Contempo LP Select Firetable (785-DB-11-M4PC) in Dark Basalt Antique Finish with Greige Creekstones (CSTN-20-G) and Lava Granules.

FyreStarter Bluetooth Control

This convenient new ON/OFF-High/Low electronic system allows you to use your smart phone to control your American Fyre Designs fire feature. Just download the app and you're ready to go. Or manually control at the appliance. Also included are, two USB ports (A & C) for easy charging of phones, outdoor speakers and more.

Manual Flame Sensing Control System

Manual battery-powered spark igniter, thermocouple equipped control with flame sensing recognition and manual flame height adjustment; if the thermocouple does not sense the presence of flame the gas will shut off regardless of valve position.

Contempo LP Select Firetable

Model shown: **785-LB-11-M4PC** // Finish: LB, Light Basalt

Lanterns & Fire Urns

The versatility of American Fyre Designs' Lanterns and Fire Urns is unmatched. From traditional to contemporary, these unique fire features offer a wide array of design options to any outdoor setting. Several of these can be displayed down a path or placed near a fireplace or other outdoor feature to add sophisticated elegance to your outdoor area.

Made from glass fiber reinforced concrete (GFRC), these fire features come in a variety of different finishes. Fuel options include Natural Gas or self-contained Propane tank.

Feature Highlights

- Contemporary design
- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC)
- Stainless steel burner
- Manual Flame Sensing Control System
- Optional 110V FyreStarter Bluetooth Control (Available on Lanterns)
- Available for Natural Gas or Propane
- Removable door to house a 5 gal. Propane tank

FyreStarter Bluetooth Control

This convenient new ON/OFF-High/Low electronic system allows you to use your smart phone to control your American Fyre Designs fire feature. Just download the app and you're ready to go. Or manually control at the appliance. Also included are, two USB ports (A & C) for easy charging of phones, outdoor speakers and more. (Available on Lanterns)

† Lanterns with FyreStarter Bluetooth Control require 120V AC power.

Manual Flame Sensing Control System

Manual battery-powered spark igniter, thermocouple equipped control with flame sensing recognition and manual flame height adjustment; if the thermocouple does not sense the presence of flame the gas will shut off regardless of valve position.

Eclipse Fire Urn

Model shown: **520-SM-11-M2xC** // Finish: SM, Smoke

- Dimensions: 23" diameter x 37½" h
- 12" star stainless steel burner
- Available with or without access door for LP tank

MODEL #	DESCRIPTION	NG (Btu)	LP (Btu)
520-xx-11-M2xC	w/ LP tank access door	60,000	60,000
520-xx-10-M2NC	w/o LP tank access door	60,000	--

Nest Lantern

Model shown: **715-CB-11-M1xC** // Finish: CB, Café Blanco

- Dimensions: 16" w x 16" d x 66" h
- Accepts a 5 gal. LP tank inside the unit (not included)
