INTRODUCING THE *Perth Collection*

Perth COLLECTION

The Perth High Back Seating collection introduces a timeless blend of transitional style and classic design. Drawing inspiration from traditional wingback chairs, which are usually fully upholstered, this collection highlights the elegance of an exposed frame, allowing the beauty of the fabric and cushions to shine. The tables in the collection feature durable HPL tabletops, available in two stunning stone-look finishes.

The Perth Collection Features HPL Tabletops

High-pressure laminate (HPL) tabletops are engineered to endure the harshest outdoor conditions and are resistant to extreme weather, UV rays, and temperature fluctuations. The low-maintenance non-porous surface prevents stains, dirt, and spills from seeping in, allowing for quick and easy cleaning.
